1. Void your paper stock certificate by drawing a diagonal line across the certificate and write in big letters "VOID" on it (use a marker if available).
2. Take a picture and send it together with your receive address to [info@iwwexchange.com](mailto:info@iwwexchange.com)
3. Sign into your IWW World Exchange account <https://www.iwworldexchange.com/en/login>
4. In "My Profile" select the appropriate symbol of the stock you would like to transfer the exchange.

5. When selected click on "Deposit ....." button.
6. You will see a barcode and your receive address for that particular stock or coin.
7. The address will stay the same until you click on "Generate new address".
8. Copy and paste the receive address into your e-mail to [info@iwwexchange.com](mailto:info@iwwexchange.com) and e-mail it together with the image of the voided stock certificate.
